BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 87-2-803, MCA, is amended to read:

"87-2-803. Persons with disabilities -- service members -- definitions. (1) Persons with disabilities are entitled to fish and to hunt game birds, not including turkeys, with only a conservation license if they are residents of Montana not residing in an institution and are certified as disabled as prescribed by departmental rule. A person who has purchased a conservation license and a resident fishing license or game bird license for a particular license year and who is subsequently certified as disabled is entitled to a refund for the fishing license or game bird license previously purchased for that license year. A person who is certified as disabled pursuant to subsection (3) and who was issued a permit to hunt from a vehicle for license year 2000 or a subsequent license year is automatically entitled to a permit to hunt from a vehicle for subsequent license years if the criteria for obtaining a permit does not change.

(2) A resident of Montana who is certified as disabled by the department and who is not residing in an institution may purchase a Class A-3 deer A tag for \$6.50 and a Class A-5 elk tag for \$8. A person who has purchased a conservation license and a resident deer license or resident elk license for a particular license year and who is subsequently certified as disabled is entitled to a refund for the deer license or elk license previously purchased and reissuance of the license for that license year at the rate established in this subsection.

(3) A person may be certified as disabled by the department and issued a permit to hunt from a vehicle, on a form prescribed by the department, if the person establishes one or more of the disabilities pursuant to subsection (9).

(4) (a) A person with a disability carrying a permit to hunt from a vehicle, referred to in this subsection

1 (4) as a permitholder, may hunt by shooting a firearm from:

2 (i) the shoulder, berm, or barrow pit right-of-way of a public highway, as defined in 61-1-101, except a
3 state or federal highway;

4 (ii) within a self-propelled or drawn vehicle that is parked on a shoulder, berm, or barrow pit right-of-way
5 in a manner that will not impede traffic or endanger motorists or that is parked in an area, not a public highway,
6 where hunting is permitted; or

7 (iii) an off-highway vehicle or snowmobile, as defined in 61-1-101, in any area where hunting is permitted
8 and that is open to motorized use, unless otherwise prohibited by law, as long as the off-highway vehicle or
9 snowmobile is marked as described in subsection (4)(d) of this section.

10 (b) This subsection (4) does not allow a permitholder to shoot across the roadway of any public highway
11 or to hunt on private property without permission of the landowner.

12 (c) A permitholder must have a companion to assist in immediately dressing any killed game animal. The
13 companion may also assist the permitholder by hunting a game animal that has been wounded by the
14 permitholder when the permitholder is unable to pursue and kill the wounded game animal.

15 (d) Any vehicle from which a permitholder is hunting must be conspicuously marked with an

20 deer A tag, a Class B-8 deer B tag, and a special antelope license at one-half the license fee. Fifty licenses of

22 against the number of special antelope licenses reserved for people with permanent disabilities, as provided in
23 87-2-706.

24 (6) (a) A resident of Montana who is certified by the department as experiencing blindness, as defined
25 in 53-7-301, may be issued a lifetime fishing license for the blind upon payment of a one-time fee of \$10. The
26 license is valid for the lifetime of the blind individual and allows the licensee to fish as authorized by department
27 rule. An applicant for a license under this subsection need not obtain a wildlife conservation license as a
28 prerequisite to licensure.

29 (b) A person who is certified by the department as experiencing blindness, as defined in 53-7-301, may
30 be issued regular resident deer and elk licenses, in the manner provided in subsection (2) of this section, and

4 person.

5 (8) As used in this section, "disabled person", "person with a disability", or "disabled" means or refers

19 provided by the department.

20 (11) The department or a person who disagrees with a determination of disability or eligibility for a permit
21 to hunt from a vehicle may request a review by the board of medical examiners pursuant to 37-3-203.

22 (12) (a) A Montana resident who is a member of the Montana national guard or the federal reserve as
23 provided in 10 U.S.C. 10101 or who was otherwise engaged in active duty and who participated in a contingency

2 return, based on the member's election, and in any of the 4 years after the member's election and be entitled to
3 a free resident wildlife conservation license or a free Class AAA resident combination sports license in the year
4 of election and in any of the 4 years after the member's election.

5 (b) To be eligible for the free resident wildlife conservation license or free Class AAA resident
6 combination sports license provided for in subsection (12)(a), an applicant shall, in addition to the written
7 application and proof of residency required in 87-2-202(1), provide to any regional department office or to the
